REGISTRATION AND COMPETITION RULES EXPLANATIONS

Discipline

We have listed for you our main disciplines for this EVENT, and we have tried to compress it on a way that everyone can dance and be a part of it.

Age

The age divisions are given as an orientation for solo, couples, and teams in order to maintain a balanced and fair competition. *Explanation for teams: if one of your Athletes is over the max. age gap your team goes automatically one age group above.

* EXAMPLE: all athletes of the team are Under 12 and only one is above 12 your team will be registered as Under 18 team.

Categories: EXPLANATION FOR Open Basic

In order for everyone to have a chance to dance and feel the Magic of this competition and to be awarded, we have divided it in only open and basic. To make it more easy for you the division of basic and open will be managed like this: Basic if for (E,D,C Class) Open is for (B,A,S Class)
